EXPERIENCE

Assistant Consultant

Radical Academy of Science and Technology / Dhangadhi / August, 2019 - October, 2021

I worked as an Assistant Consultant at Radical Academy of Technology, Dhangadhi, Kailali. My role involved supporting tech training programs, guiding students, and assisting with software and hardware solutions. It helped me improve my technical and problem-solving skills.

TRAINING/CERTIFICATIONS

Frontend Development

Kathmandu Bernhardt College / 2022

I received training in Frontend Development, learning HTML, CSS, JavaScript, and frameworks like React. The training focused on building responsive and user-friendly websites with hands-on projects.

Github Training

KBC IT Club / 2023

I received training on GitHub, learning to manage version control, collaborate on projects, and track code changes efficiently. This helped me improve my coding workflow and contribute to team projects seamlessly.

Graphics Designing

Kathmandu Bernhardt College / 2023

I completed a Graphic Designing training, where I learned to create visually appealing designs using tools like Adobe Photoshop and Illustrator. The training focused on building skills for creating logos, banners, and other digital graphics.
