Highly motivated and detail-oriented BCA 6th Semester student seeking a QA Internship to apply strong knowledge of software testing, defect reporting, and QA methodologies. Passionate about improving software reliability and user experience through systematic testing and continuous learning. Aiming to grow as a skilled QA professional while contributing meaningful value to the organization.

EDUCATION

Bachelor in Computer Application(BCA)

Kathmandu

Kathmandu Bernhardt College

Jan, 2022 - Present

I'm pursuing a Bachelor's in Computer Application (BCA) at Kathmandu Bernhardt College, where learning is practical and tech-focused.

PROJECTS

Vision Nepal

Vision Nepal is a Flutter-based mobile application providing real-time news, videos, and essential daily utilities in a single platform. The app integrates REST APIs for dynamic content, includes calendar, date translation, notes, and admin communication features. The project demonstrates strong skills in mobile development, API integration, UI design, and application testing.

QA Documentation Project(opencart)

Prepared complete Quality Assurance documentation for the OpenCart e-commerce application, including FRS, Test Plan, Test Scenarios, Test Cases, Bug Reports, and Test Execution Reports following standard QA standards. Actively used JIRA for defect tracking and test management, ensuring proper documentation, traceability, and effective communication between QA and development teams.

<https://github.com/indra-chhedal/demo-opencart>

Opencart Automation Testing

Performed automation testing of the OpenCart e-commerce application using Cypress, creating and executing automated test scripts for functional workflows, validating features, and ensuring application stability.

TRAINING/CERTIFICATIONS

Github Training

2023

KBC IT Club

I received training on GitHub, learning to manage version control, collaborate on projects, and track code changes efficiently. This helped me improve my coding workflow and contribute to team projects seamlessly.

QA Training

2025

Kathmandu Bernhardt College

3-month Quality Assurance Certification including Manual Testing (JIRA), QA Documentation, Test Automation (Cypress), API Testing (Postman), and Regression/Performance Testing (JMeter).

SKILLS

Communication, Team building, Coding, JIRA, Dart and Flutter, Postman, Apache JMeter, Cypress, Java, Python
